

Mrs. Holub Installed As Worthy Matron of O.E.S.

At a very impressive ceremony held in the Masonic hall recently, the officers of St. Hilda's Chapter No. 27, O.E.S., were installed. Members of King Hiram Lodge, A.F. & A.M. and their wives were invited guests.

Visitors were present from Calgary, Crossfield and Carstairs. Mrs. Helen McGhee, past Grand Matron of the Grand Chapter of Alberta, was installing officer, assisted by Mrs. Bessie Bloom, past Grand Matron of North Star Chapter, Calgary, and Mrs. R. Hays, Grand Representative of Edith Cavell Chapter.

The evening opened with usual ceremonies, after which there followed an address to the newly installed Star Points. Addresses were presented to the out-going and incoming officers. Mr. and Mrs. Reid Clark were presented with their Past Patrons and Past Matrons pins, and the newly installed Worthy Matron, Mrs. Christina Holub, with a bouquet of flowers.

The new slate of officers for 1955 are: Worthy Matron, Mrs. Christina Holub; Worthy Patron, Mr. Harry Richardson; Associate Matron, Mrs. Della Thompson; Associate Patron, Mr. Osborne Thompson; secretary, Mrs. Helen Eubank; treasurer, Mrs. Gladys Waugh; conductress, Mrs. Mildred Blore; associate conductress, Mrs. Dorothy Prevost; organist, Mrs. Joyce Berchert; chaplain, Mrs. Charlotte Thompson; marshal, Mrs. Pauline Morton.

Adan, Mrs. Ellen Richardson; Ruth, Mrs. Geraldine Scott; Esther, Mrs. Anne Jenkins; Martha, Mrs. Grace Banta; Electa, Mrs. Inez Stauffer; Warden, Mrs. Mollie Fulkert; sentinel, Mr. Wm. Blore.

The evening came to a close with lunch served in the banquet room, the tables being prettily decorated for the occasion. Mr. Harry Richardson acted as toastmaster.

EAST NOTES

(From Our Own Correspondent)

Mr. and Mrs. Feringer of Calgary were holiday guests with their daughter, Mrs. Ivo Weber and family and with their son Bill and his family.

Mr. and Mrs. Stanley Schumaker were Sunday dinner guests with Mr. and Mrs. Dwayne Potts and family.

Mr. and Mrs. Alfie Thompson, and Mr. and Mrs. Donald Thompson were New Year's dinner guests with Mr. and Mrs. Pat Sprague.

We are sorry to hear that Albert Milne is a patient in Didsbury hospital.

Best wishes are extended to Mrs. Ed Dowell who has been on the sick list.

The following were weekend and Sunday supper guests with Mr. and Mrs. Peter Schumaker were Mr. and Mrs. John Cook, Mr. and Mrs. Ivan Clendenen, Les Schumaker and Mr. and Mrs. Schumaker and son.

Mrs. Schumaker has received correspondence from Mr. and Mrs. Sam Elliott wishing her a speedy recovery. At present the Elliotts are in Ontario visiting with relatives. In their letter they say the streets and roads are so icy down there that they use salt and sand on the roads. It has apparently been raining there off and on causing this condition but they are enjoying themselves and wish to say hello to all the neighbors here.

Mrs. Thomas Marsh and girls were Tuesday evening callers on Mr. and Mrs. Schumaker and girls.

Mr. and Mrs. Pete Neufeld and Mr. Tommy Marsh were Tuesday visitors in Calgary.

Mr. and Mrs. Stanley Schumaker were supper guests with the latter's parents' Tuesday evening, the occasion being Walter's birthday.

Mr. Harold Hobbs and Mrs. Gertrude Welch of Calgary were Sunday callers on Mrs. Lucy Thompson in Didsbury.

Mr. and Mrs. Ivan Foster of Drumheller called on Mr. and Mrs. Jake Neufeld Monday evening.

CREMONA NOW A VILLAGE

The hamlet of Cremona was declared a village on Jan. 1955. Nominations for mayor and councilors were held Monday. No report has been received yet as to if an election is necessary polling day will be Monday, Jan. 24.

First meeting of council will be held Monday, January 31.

Ponoka Takes Ramblers 11-3

Little can be said this week about the fortunes of the Didsbury Ramblers hockey club. Since the change of coaching which took place last week the team have only played one game and that was against the top-place Ponoka Stampede. The score was 11-3 but from what we hear it was no indication of the play. That is becoming a hackneyed phrase but in this case we believe it to be true.

Ramblers played Lacombe Rockets here Tuesday night (too late for us to report on it) but fans can draw their own conclusions from the results.

On Saturday night Red Deer Shamrocks (the only team we've trimmed this season) will be guests on local ice. The northern clan won an easy 9-2 decision from Olds Elks last Saturday, so where does that leave us?

The coaches in the Central Alberta Hockey League are performing in about the same manner as coaches in other branches of sport, large and small, this past season. We have heard about the head men of big league football, basketball and other sports losing out because their team did not come out on top.

The spotlight locally has hit the Ramblers who have replaced Bill Cowan during the past week. At this point we would like to remind fans of the work which the deposed coach has done in Didsbury in a nookie way. He took over the reins when the proposed coach failed to show up for work and last year was voted 2nd best in the league. He did spend much time and effort in promoting hockey here and we feel it only just that a hearty vote of thanks be given him for his interest in the local scene.

The above is not meant to take away from the new set-up which is now in effect. The move was made after a meeting of players and fans, executive and it is thought to be in the best interests of the team.

Orchids to Bill Cowan, the best of everything to the new coaching staff.

Legion Plans 2nd Polio Drive Soon

The Canadian Legion is asking Albertans to contribute \$100,000 within the next month to help fight a costly war against polio. Between Jan. 17 and Feb. 17, volunteer workers from 238 Legion branches scattered throughout Alberta will collect the money in the Legion's second "Fight Polio" campaign.

Conducted on behalf of the Canadian Foundation for Polio, the campaign raises money which is used to assist polio victims not eligible for aid from the provincial government or other agencies.

From money raised last year, Legion headquarters has authorized payments throughout Alberta exceeding \$10,000 per month to provide for special treatment, equipment for treating polio victims, housekeeping assistance for stricken families and ambulance transportation which in some cases has saved lives.

One specific project of the committee is to purchase portable iron lungs and distribute them to hospitals in various parts of the province.

Other services provided by the polio committee include financial aid where the head of a family is stricken; purchase of wheelchairs, braces, special shoes and other equipment; aid in the rehabilitation of victims and, according to the Legion, "aid in any channels not covered by the department of health."

Officials point out that this is the time when the full effects of last year's serious polio epidemic are being felt. Victims are reaching the point where they can be discharged from hospital. That's where Legion aid ends, and where they begin starts.

This is only part of the work of the "Fight Polio" committee, which is asking all Albertans for their support between January 17th and February 17th.

WESTCOTT NEWS

(From Our Own Correspondent)

On Sunday last Master Robert Wishusen was host to a group of school pals and little friends, the occasion being his 12th birthday. The kiddies enjoyed skating on the slough near there and later went in-doors to enjoy a fine lunch. A beautiful birthday cake topped off the spread.

Mr. and Mrs. Ted Topping and family were dinner guests at the Henry Wishusen home on Sunday. A lot of sickness seems to be the talk of the day, with measles being reported in the district as well.

The executive of the Westcott Community Club is holding a meeting tonight (Monday) at the Wishusen home to discuss the business of the club.

Word has been received from Les Goelien that his seismic crew have moved into a bush camp out on Grande Prairie for the winter months.

Sorry to hear Bruce Smith is again under doctor's care. Hope you'll soon be well Bruce.

Deer with relatives.

Mr. and Mrs. Fred Reese and family were Sunday supper guests of Mr. and Mrs. Jack Edwards and family. Mr. and Mrs. Tom Edwards and family of Carstairs were Sunday evening callers.

Mr. and Mrs. H. Dippel and Carol were Sunday dinner guests of Mrs. G. Dippel and Harold.

WEST DIDSBURY CALF CLUB REGULAR MEETING

Regular meeting of the West Didsbury Calf Club was held at the home of J. H. Hosgood on Dec. 28 at 2 p.m. Meeting opened with the 4-H pledge, followed by roll call, which was answered by 12 members and 9 visitors.

Mr. Jim Hughes complimented the members on the judging of the Hereford heifers. Donald Blain also gave a short talk. Reports were given by Lia Blain on "Selecting A Calf For A Calf Club" and Larry Ollie on "Lace On Cattle."

Reports for the next meeting were assigned to Larry Dunphy, Dawlin and Delbert Byrt.

An invitation from the O.S.A. was tabled until later. New sweaters and crests are to be obtained for three new members.

The next meeting will be held at the home of Percy Hosgood on Thursday, Feb. 4th at 8 p.m.

FALLEN TIMBER

(From Our Own Correspondent)

Overnight visitors at the home of Miss Lynn and Katherine Fyten recently were Miss June Monney and Miss Carol Teynor.

Mr. and Mrs. D. Jensen and son were visitors at the home of Mr. and Mrs. Joe Teynor. Sunday, Oliver visitors at the Joe Teynor home Sunday evening were Mr. and Mrs. Bob Moore and family and Mr. and Mrs. Johnny Howton and family.

Mr. and Mrs. J. H. Cooper were visitors at the home of Mr. and Mrs. B. Monney Sunday.

A very nice skating party was held at Mrs. Louise Monney's Friday evening.

The January meeting of the Busy Bees was held at the home of Mrs. Louise Monney with 12 members and one visitor present. It was decided to hold a pie social and dance Jan. 28 at the Zallen Tanager school.

The bedspread being raffled will be drawn for at that time.

Election of officers was held with the following installed: President, Mrs. Dorothy Moore; vice-president, Mrs. Ester McMillen; secretary, Mrs. Rose Howton; Dorcas secretary, Mrs. Louise Monney.

Next meeting is to be held at the home of Mrs. Robert Stair.

We are sorry to hear that little Robert McMillen has been ill with the flu.

The "Beary Club" held a meeting at the home of Mr. and Mrs. Joe Teynor Saturday evening. It was decided to hold a skating party and winter road Friday, Jan. 14, on the river at Moosey. Everyone welcome. Ladies bring buns.

BERGEN NOTES

(From Our Own Correspondent)

Mr. and Mrs. Leo Nickerson and family of Edmonton visited here over the weekend with the latter's mother, Mrs. Emma Lund and in Sundre with the Louis Lund family.

Congratulations to Mr. and Mrs. Gordon Lyle, who are the proud parents of a son, born Jan. 1st.

Gordon, Darrell has come to make happy the home of Mr. and Mrs. Fred Metzger.

Congratulations to Robert Bradley, who is to be married this month. The annual school meeting was held in the school on Saturday. The main issue was the question of having the school wired for electricity.

Mr. and Mrs. Kay Cook and family were Red Deer visitors over the weekend.

Municipality Boundaries To Be Changed

A provincial government ministerial order, making the boundaries of the Olds School Division and the Municipal District of Mountain View co-terminous, has been received by the secretary-treasurer.

The order was the answer to a request made several years ago by both the Alberta Association of Municipal Districts and the School Trustees Association, calling for co-terminous boundaries. The co-terminous boundaries Commission, appointed by the provincial government, has been studying the problem for two years and the order puts into effect the commission's recommendations.

Plans in M.D. 49 call for seven townships in the south. Crossfield area to be cut off, about 11 townships will be gained by the municipality on the northwest corner of the improved district, including Big Prairie, Water Valley and Berrien and about half of the M.D. of Watrous. South James River area.

Burke Stars As Beavers Win

Thursday evening at the Memorial Arena the Didsbury High School Beavers took the measure of last year's league champions from Crossfield by a convincing 4-1 score.

The first period and 15 minutes of the second period saw each club battling for the all-important first goal and at the fifteen minute mark Butch Neufeld picked up a pass from Stauffer and Bain and broke over the red line to score.

At 1 minutes in the third Burke broke again on McCoy's pass and beat the Crossfield defence all the way 2 minutes later Bain took Stauffer's pass to make the score 3-0.

At the 7 minute mark Fleming for Crossfield flipped Becker's pass in from behind the net and robbed Zidek in the Didsbury goal, or a well-deserved shutout.

At 9 minutes Burke took Shantz's pass to score his second goal of the game. For the rest of the period Crossfield played wide open and the pressure around Zidek in the Beaver's net brought the crowd to their feet several times but sharp clearing and sensational net-minding kept the score 4-1.

The Beavers do not play at home again until Jan. 24 when they meet Carstairs.

Line-up: Goal, Jim Zidek; Defence, Ford, Miller, Foat, McFarquhar, Forwards, McCoy, Burke, Stauffer, Neufeld, Bain, Shantz, Traub, Maiklem, Stiles.

"Man With 1,000 Faces" Here Friday

On Friday, Jan. 14, the Didsbury High School Students' Union will sponsor two public concerts by the well-known actor, Frank (the man with 100 faces) Crawshaw.

The first concert will be in the auditorium at 2:00 p.m. and will consist of a new and exciting travelogue "With the Mau Mau in Kenya." This travelogue is accompanied by over 200 slides in color, showing African scenes and native life. The afternoon concert is for all school pupils as well as adults.

The evening performance on the same date will consist of Frank Crawshaw's well known "One Man Theatre" of original character studies and sketches, skits, stories, etc. All warmly recommended.

Afternoon concert, students 25c, adults 35c. Evening concert, students 35c, adults 75c.

The proceeds of these concerts is to be used by the Students Union for necessary equipment and improvements for the auditorium.

Local Bonspiel Now Underway

Play got underway Monday morning in the annual bonspiel of the Didsbury Curling Club when 27 rinks took to the ice lanes.

No one was out of the rink at this early stage but a full report will be given next week. (We understand some of the big favorites have fallen by the wayside in their first games.)

Rinks competing include two from Crossfield, three from Carstairs, one from Stander, two from Midway, one

Among the benefits of Branch Banking ...

Your local bank is an essential link between your community and the whole banking world.

In remote areas, Canadians enjoy the same broad range of bank services, the same sense of security.

As communities develop, banking services are made available to meet new and growing needs.

Banking in Canada works in such a way that your local branch manager brings you all the resources, knowledge and experience of the bank he represents. It has branches throughout Canada and provides contacts the world over. The benefits of this branch banking system, developed to meet Canadian needs, are demonstrated every day by the quality and scope of your local banking service.

Weekly Papers' Status Growing!

The following is a pick-up from a recent Canadian Press release. We quote:

"An accolade for the man with the eye-shade (we don't use one) and the ink-stained fingers (we can go along with that) the weekly newspaper editor, was sounded recently by the Royal Bank of Canada.

Something new has been added to the life of the weekly newspaper, so far removed in this atom age from its traditional aura of the cracker barrel and the pot-bellied stove.

The bank's monthly newsletter follows:

"Use of weekly newspapers for advertising has been growing steadily, not only among local merchants but among concerns in all parts of the country. These national advertisers are realizing that the good coverage given local tradesmen would be equally good for them.

"This is not to say that the weekly press is something new, but only that it is entering upon a new era, with advertisers and their agents showing new appreciation for its worth."

Canada's 963 weekly newspapers have a combined circulation of 2,457,140, the newsletter says. The growth of suburban communities was a boon to weeklies.

An article written by William H. Cranston, publisher of the Midland Free Press Herald is quoted to show that the average paper represented in the Canadian Weekly Newspapers Association covers 82 per cent of the homes in its trading area. (We bow to the fact that we are one of those mentioned).

Notes From D.A.

By HOWARD J. FULCHER

Bang's Disease (Bovine Brucellosis) is a serious disease of cattle in Alberta, causing lots of calves to farmers every year and is at all times a danger to humans as they may contract Undulant Fever.

For these reasons a program has been established to build to resistance in the cattle population to this disease. The program in this municipality is compulsory vaccination of all heifer calves for several years, this to be followed by blood tests to remove remaining reactors. By carrying out a program of this type the farmers and ranchers have an opportunity to build up a herd of cows which have all been vaccinated as calves for bang's, this is a more economical and practical program than complete blood testing of all females in the beginning.

In 1944 the Provincial government started supplying the vaccine free of charge to carry out this program. Starting in 1950 the program came into force across Canada with the Federal government supplying the vaccine and the province supplying ear tags and certificates to keep accurate records.

In the municipality the mechanics of the program is carried out by the Service Board. This board draws up a contract with a Veterinarian to carry out the actual vaccinating of the calves.

This municipality is a Brucellosis Restricted area and therefore all heifer calves are vaccinated, also as has been lately brought into force all female cattle going through Community Auction Sales yards are to be blood tested.

All charges for the vaccinating and blood testing are paid by the owner to the veterinarian the rates where agreed to by the Western Stock Growers and the Veterinarian Association.

In most cases Bang's is introduced into the herd by the purchase of an infected animal, to prevent the dread disease from your herd vaccinate all

By REV. C. C. ARMSTRONG

A correspondent is wondering about the place of TV in the Christian home and its possible effect on church attendance. Now that TV has definitely arrived here that question is of more than casual or academic interest.

In the eastern parts of Canada one observes TV aerials everywhere, even on houses that cannot be valued at much more than the sets they contain. Whether poor living conditions are responsible for the tremendous interest in TV or whether the purchase of these expensive sets is unduly maintaining the poor housing, I don't know, but certainly they go together. But I am inclined to think that many people are seeking to escape from unpleasant reality by means of TV, particularly in slum areas in the city.

From the economic point of view, a Christian is called upon to give loyal support to the things of God before investing his money in other things. He must choose where to invest his money, and a church official in particular, must not find himself in a position where he says "I cannot afford to give as much to the church this year because I have to meet the payments on my new TV." But if a person is not skimming on his support to the things of God, he is, from the economic point of view, entitled to invest his money in one of these new-fangled gadgets.

One of the blessings of radio and TV is that the same switch which turns them on will also turn them off, and this permits quite a range of power of selection. Material is that of poor quality, shows that have a moral quality about them that we find disturbing, need not be seen by us. We cannot insulate ourselves and our families from the influence of our surroundings — the world around us. What the Christian has to combat these things with is a conscience that is strengthened and helped by the unseen Power of God.

Federated W.I. of Canada pins will be ordered for the president and secretary-treasurer, and anyone else wanting one.

heifer calves, blood test all females and buy only new stock that you know have been vaccinated or blood tested and are free from infection.

Westward Ho Calf Club Meeting

The Westward-Ho Calf Club met at the home of Mr. Armstrong on Dec. 29th. The meeting came to order by repeating the 4-H pledge. The roll call was then read which was answered by 12 members. The minutes of the last meeting were then read.

The club then decided the dates, places and time for meetings for the coming year. Don McCracken gave his report on supplements and their value and Jean McCracken also gave a report on common ailments and their control in cattle.

Mr. and Mrs. Armstrong were appointed to see if they could find a gift for Mr. McPhail on his retirement. Sigurd Baustad and Norman Spooner were appointed to give reports at the next meeting.

It was decided to get sweaters for the new members. The next meeting will be held at Strand's on the evening of January the 28th.

A home that has Christ within its walls need not fear the presence of the TV set in the corner of the living room, but I think there will be times when the thing is going and at other times when it will be shut off.

I think the effect of TV on church attendance will be much the same as that of radio, and that those who value the church will continue loyally to support the church by their attendance, and those who have little interest in the church will choose to stay at home and watch the antics of some performer. But rather than eliminate either one (church or TV) we should seek to improve the quality of both, so that the worship services will be satisfying and the programs coming over the air will be edifying, helpful and in harmony with Christian standards of decency and good taste.

The costly nature of TV makes it imperative to the producer that the nature of his show should be acceptable to the public and those who insist on good programs will, in all likelihood, be able to set them.

We have so much to protect

This Canada of ours — is ours to enjoy at a price — the price of constant alertness.

We cannot take for granted our freedom to worship, to vote, to educate our children, or to order our home life as we please. All these freedoms are ours only as long as we are willing to do everything necessary to maintain and defend them.

All honour then to the Canadian Soldier — the steadfast guardian of all our free institutions. Without men like him, the Canada we love might cease to be.

We have so much to protect. Let us all do our part, without let-up, whatever way our duty lies.

**This is THE MARK OF A NEW AGE!**

That big, bold Sweep-Sight Windshield — curving back to vertical corner posts — is easy-to-see evidence that Chevrolet has cast aside the tradition of the past to start a whole new age of low-cost motoring. It's smarter to look at — safer to look out of — and it's only part of Chevrolet's new outlook for '55!

Yes, Chevrolet brings you a whole new outlook in low-cost motoring for 1955! It's best symbolized, we think, by the sweeping expanse of windshield that widens your view of the road and lets you "see through" the corners for greater safety.

The car with the new idea! Besides widening your view of the road, the Motoramic Chevrolet broadens the whole horizon of the low-priced car. It was built around the idea that a car doesn't have to be high-priced to look, ride and

perform like it. A lot of time and sweat went into the building. A lot of old traditions went out the window because they didn't measure up to this daring new concept. Trust Chevrolet to have the resources and the skill — yes, and the courage — to break so completely with the past.

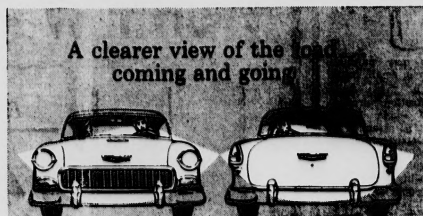

Everything's new in Chevrolet! Everything — from its tubeless tires to its lower top. There's new beauty with that long, low "let's go" look! New fun underfoot with the new "Turbo-Fire" V8 and the new "Blue-Flame" six! A new

choice of drives — new Overdrive, Super-Smooth Powerglide (extra-cost option), and new standard transmission! A wonderful new ride! New High-Level ventilation! But we can't even begin to give you the whole story here.

Look who's stealing whose thunder! Chevrolet's stealing the thunder from the high-priced cars in more ways than one! Come in, drive it, and you'll see why the Motoramic Chevrolet starts a new and exciting age of low-cost motoring. This you're going to love!

The Treasury Department is
 concerned with any govern-
 mental activity that involves
 the receipt, custody or payment
 of money. The department
 was established by an Act of
 the Legislative Assembly called
 "The Treasury Department
 Act" and is headed by the Pro-
 vincial Treasurer.

The Treasury Department
 Act prescribes the main func-
 tion of the department which

is the management and control
 of revenue and expenditure of
 the province. Each year the
 Provincial Treasurer prepares a
 budget containing estimates of
 the amounts required to pay
 the various expenses and costs
 of government services, as well
 as the estimates of revenues ac-
 cruing from various sources.

The Budget Speech, delivered
 by the Provincial Treasurer to
 the Legislative Assembly, is a
 general statement explaining
 the financial condition of the
 province and the fiscal pro-
 gram of the Government. The
 estimates are the amounts of
 revenues and expenditures ex-
 pected by each department, and
 when passed by the legislature,
 they control the coming year's
 expenditures.

The Provincial Auditor, an
 official appointed by the Leu-
 tenant Governor in Council
 under the Seal of the Province,
 keeps the accounts of the Pro-
 vince. His responsibilities in-
 volve the checking of each item
 of revenue and the approval of
 each expenditure. He prepares
 the Public Accounts in which
 all the financial transactions of
 the province during the last
 fiscal year are set out.

As the Treasury Branches
 Executive Council frames regu-
 lations respecting the book-
 keeping and accounting of the
 Government.

"The Treasury Branches Act
 authorizes the Provincial Treas-
 urer to establish and operate
 branches of the Treasury at
 points throughout the prov-

ince. To date, 47 branches, 13
 sub-branches and 84 agencies
 have been established.

The Alberta Government Pur-
 chasing Agency Act is adminis-
 tered under the supervision of
 the Provincial Treasurer and
 the Director of Purchases is
 responsible to him. The Pur-
 chasing Agency purchases all
 supplies required by govern-
 ment departments.

Also attached to the Treas-
 ury Department is the Office of
 the Queen's Printer. The
 Queen's Printer is responsible
 for the publication of "The Al-
 bert Gazette," which contains
 Government proclamations and
 official notices. This office
 publishes the statutes of the
 province and all other Govern-
 ment publications, and supplies
 all printing, stationery and
 general office supplies required
 by the departments.

The Provincial Treasurer ad-
 ministers The Retirement An-
 nuities Act through which Al-

berta citizens may purchase
 annuities with a small initial
 deposit.

For administration purposes,
 the Board of Public Utility
 Commissioners is attached to
 the Treasury Department. Among
 its many responsibilities the
 Board regulates the rates charged
 by utility companies, protects
 the people of Alberta from
 unwise investments, approves
 debentures and regulates the
 financial activities of local
 governments. In regard to
 milk control, the Board com-
 puts the average cost of pro-
 duction, audits dairy plants
 and determines price charges
 for the consumer.

Calf Vaccination for Bangs disease
 is nearing completion for this round.
 The exceptionally good weather has
 been an important factor in helping
 to get this job done.

Co-operation has been real good
 among the greater part of the cattlemen.
 There has been excellent co-
 operation at the sale yard in Olds
 where blood testing or vaccination
 was required. One party who had
 the veterinarian blood test two cows
 a week ahead of the sale he planned
 to offer these cows for sale found,
 when the results came back that one
 cow was positive and was not sale-
 able for breeding purposes.

I simply mention this to point out
 that there is a very real danger of a
 buyer picking up an infected animal
 and getting the disease into his herd
 unless a blood test is carried out and
 the animal's health thereby estab-
 lished.

The new areas which came into
 Mountain View Municipality will
 automatically become Bangs restric-
 ted areas also and calf vaccination
 for heifers will be carried out in due
 course. This will affect those areas
 which were formerly L.D. No. 30
 and part of Waterloo M.D. No. 36.

If you plan to offer cattle or calves
 for sale at either Olds or Cremona
 sale yards and want to have the vac-
 cination or blood tests made before
 the sale, contact your veterinarian
 and he will attend to this matter.
 Otherwise this will be done on sale
 day at the auction sale yards.

DISTRICT NEWS

WESTCOTT NEWS

(From Our Own Correspondent)

(Intended for last week)

Mr. Alfred Baudistel has accepted work in Calgary for the winter months.

The Westcott Christmas Concert was well attended and the crowd was not disappointed as the pupils performed well under the capable direction of Mrs. Ethel Korschuh the teacher, even the beginners were right in there and supervised their elders, some of the older children had parts in several plays, necessitating an awful lot of memorizing and of those in attendance for this very nice entertainment.

Dr. and Mrs. Dumouchel of Athabasca, Alberta and Mr. and Mrs. Ken Card and son of Swift Current, Sask. all spent a few days at Christmas time with their parents Mr. and Mrs. Herbert Goetjen and their brother Leslie who was also home for the holiday from Valleyview, Alberta.

Mr. and Mrs. Ernie Tucker and sons of Edmonton were home with Mrs. Tucker's parents Mr. and Mrs. Herman Daseforde and sisters Ruby and Eileen.

Mrs. Baudistel Sr. is at present staying in Calgary at the home of her son.

The Scouts and young people of the district were again carolling before Christmas, this has got to be a much appreciated event throughout the district and we know our elder folks and shut-ins thoroughly enjoy the efforts of those who so faithfully take part and so doing spread a bit of Christmas spirit to those dear ones who couldn't otherwise hear those melodies in song. What could be a nicer gesture and we know its deeply appreciated by all.

Mr. and Mrs. Robert MacFarlane entertained the McNaughton family from out east on Sunday last, the occasion was Mrs. MacFarlane's birthday.

Mrs. Templeton, Mrs. Linden Jacobsen, mother left to spend the New Year in Vancouver. Mrs. Templeton had been with the Jacobsens for some time recovering from a heart condition and we are glad to hear she was thought well enough to travel back to her native Vancouver.

Mr. and Mrs. Gordon Ford and family visited with the latter's brother and family Mr. and Mrs. Ed Ford in Didsbury the Sunday following New Year.

The babies of two former Westcott folks featured in the Christmas ceremony at Redeemer Lutheran church recently, namely the son of Mr. and Mrs. Ernie Tucker (Jean Daseforde) of Edmonton and Mr. and Mrs. Ken Card's son (Eileen Goetjen) of Swift Current, Sask. God-parents for Mark Lance Tucker were Miss Eileen Daseforde and Mr. and Mrs. Ken Folkmann. God-parents for James Kimberley Card were Mr. Leslie Goetjen and his great aunt Mrs. Fred Goetjen.

Mr. Neil Folkmann and Mr. Chas. Meeks of Calgary visiting at the home of the former's parents, Mr. and Mrs. Otto Folkmann during the holidays.

Membership Up In Farmers' Union

The Farmers' Union of Alberta announced this week that with nearly 75 per cent of its field organizers having reported results, the membership had passed the 50,000 mark.

Campaign director W. D. Summers expressed the opinion that the membership would level off around 60,000.

That would mean, he explained, that 36,000 heads of farm families had joined. This figure would be only a couple of thousand short of our target for a clear majority. It might well mean an intensive job to obtain extra memberships. The last 1,000 foot climb up the mountain is always the hardest. And so are the last 1,000 members the hardest to enroll," he remarked.

A blueprint to concentrate every available farm union worker in an intensive campaign had been prepared, it was learned. The plans call for the holding of 83 sub-district conventions within a three-week period in February.

REDEEMER WALTHER LEAGUE HOLDS MEETINGS

The "opps," Christian Use of Money" was led by Walter Artman at the Dec. 21st meeting and Rev. Fox led a continuation on the study of "Martin Luther" at the January 4th meeting. Fred Betus, local membership secretary of the Lutheran Laymen's League, gave a report on the work of this league and encouraged the young people to join the organization.

The committee responsible for the children's Christmas bags and the banquet were thanked. The Christmas banquet held on Dec. 29 was attended by approximately 55 leaguers and friends. The turkey was supplied by Otto Bartz.

Instead of a gift exchange a box was placed under the tree for proceeds toward United Nations Children's Emergency Fund.

Westcott W.I. January Meeting

The January meeting of Westcott W.I. was held at the home of Mrs. C. Shields on Thursday, Jan. 6 with 11 members and one visitor present. Roll call was answered with payment of dues and "New Ways of Serving Vegetables."

Financial statement was read for 1954 and it was reported five members had perfect attendance during the year.

The five-minute talk was given by Mrs. J. Robertson on "Why Are You Saving Them?", fancy dishes and linens. Why not use them. Your daughter will want new and modern things in her home.

Mrs. H. Goetjen was presented with a souvenir spoon as she has been a member of Westcott Institute for 10 years. "Bit of fun" was given by Mrs. Shields.

The remainder of the afternoon was spent in making out the 1955 program. Mrs. Clarence Larson was welcomed as a new member. The February meeting will be held at the home of Mrs. W. Van Wyck in Didsbury.

CHRISTIAN SCIENCE

How spiritual understanding of God as divine Life opens the door to healthier living will be set forth in the Lesson-Sermon entitled "Life" at Christian Science services Sunday. Selections to be read from the King James Version of the Bible will include the following from Psalms (66: 8, 9): "O bless our God, ye people, and make the voice of his praise to be heard: Which holdeth our soul in life and suffereth not our feet to be moved."

From "Science and health with Key to the Scriptures" by Mary Baker Eddy the following selection will be among those read (48: 27): "The understanding that Life is God, Spirit, lengthens our days by strengthening our trust in the deathless reality of Life, its almightiness and immortality." The Golden Text is from John (17: 3): "This is life eternal, that they might know thee the only true God, and Jesus Christ, whom thou hast sent."

GENTLE INSINUATION

The clergymen appeared in the dairy office. "Regarding the milk you deliver to me —" he began.

The manager fidgeted and said uneasily, "Yes, sir."

"Well," concluded the clergymen, "I just wanted to say I use it for drinking, not christening."

Last week Mrs. Alvina Watkins of Milk River made application to join the Alberta Wheat Pool. At the age of 80 years it is believed she is the oldest person ever to apply for membership in this farmer co-operative.
